

TIMOTHY M. HALE, D.D.S.
MICHAEL K. NGUYEN, D.D.S.
Board Certified in Periodontics

Pre-operative Instructions for Surgical Procedures without Sedation

1. Please arrive 10-15 minutes prior to your scheduled appointment.
2. You should wear comfortable, loose fitting clothes. Preferably, wear a short sleeve blouse or shirt to facilitate blood pressure monitoring.
3. As a courtesy to you the medications will be called into the pharmacy of your choice. Please take all medications as prescribed.
4. You can drive yourself to this appointment and eat or drink as normal.
5. Please note that parents are not allowed into the operating room.
6. Please inform us of any medications that you take routinely. You should take these medications as usual with the **EXCEPTION of BLOOD THINNERS**. You should discuss this issue directly with the doctor or staff members. Be sure to ask if you have any questions.
